First APARTMENT

First APARTMENT

Etihad revolutionises First Class with the First Apartment. More than a seat, it is a living space for the discerning traveller, spacious enough to walk around in. The First Apartment is upholstered with the finest Poltrona Frau leather and features a wide armchair and an ottoman that transitions into an 81-inch long fully-flat bed.

Dine from an à la carte menu, including our signature grill or let your inflight Chef prepare something special using fresh ingredients from the pantry. Guests can also enjoy our pre-dessert course served as a prelude to dessert.

Savour elegant mini cakes and pastries served as part of our Café Gourmand service or sit back and relax with exquisite XO cognac with our signature cognac service. Enjoy wines from the world's finest vineyards, handpicked by our sommeliers.

First APARTMENT

The First Apartment offers guests the convenience of sitting in an armchair or lying in bed without having to adjust the seat at all.

Our signature bedtime turn-down service enables total relaxation and comfort with stylish loungewear, an all-natural mattress, duvet, cotton sheet and pillow.

Invite a companion to join you for a meal or a meeting in your generous First Apartment and when travelling with a partner, the divider between Apartments can be opened to join rooms.

First APARTMENT

Stay entertained with an adjustable 24-inch flat screen TV, which can be viewed from the armchair or while relaxing in bed. With the ultimate on-demand entertainment and noise-cancelling headsets and over 750 hours of the latest movies, shows, music and interactive games, guests can unwind in quiet comfort. Our onboard Wi-Fly allows connectivity through mobile devices.

The First Apartment includes a personal vanity unit with ample lighting and space for your personal effects, a wardrobe and a chilled refreshments cabinet. Freshen up before arrival with exclusive amenities and an energising shower in the First Class bathroom.
