About Luxury Aircraft

Luxury Aircraft Solutions is an aviation organization which specializes in jet charter flights, aircraft sales and aircraft management. As a leading authority in our industry, we supply a wide range of aircraft for many different types of clientele ranging from private individuals, world governments and Fortune 500 companies. We arrange charter flights embracing your needs on an individual basis. Here at Luxury Aircraft Solutions we pride ourselves upon understanding our client's needs. A charter is never a package you simply purchase, but a specialized solution that is custom tailored for each and every trip.

Our Philosophy.

“We do our business, so you can do your business” Luxury Aircraft leads the industry because we continuously maintain and develop new techniques and technology to help source the proper aircraft option to match your business and personal travel requirements. We hold ourselves to a premier standard industry wide. **Our #1 Priority: Passenger Safety.** Luxury Aircraft Solutions takes pride in providing the highest levels of safety for our passengers. Aircraft we source are checked through a compliance report and we can provide the ARGUS or WYVERN rating as well. This is a must for any traveler to feel confident in choosing an aircraft for their trip. When it comes to safety- We spare no detail.

We Provide Solutions.

Because Luxury Aircraft Solutions is not an aircraft manufacturer or operator, we have the flexibility to choose the best, safest and most reliable aircraft available in the industry – Customers have the choice of helicopter, piston, turbo-prop, very light jet, light jet, mid-size jet, super mid-size jet, heavy jets and commercial aircraft; We'll help you determine the type that is best for you. **“Our customers are our reason for being here.”** We dedicate time to being available to you 24/7, 365 days per year. You will always be able to contact a dedicated specialist to arrange your travel needs.

Experience and Network

Luxury Aircraft has combined 25+ years of business aviation experience chartering every kind of private aircraft into various destinations. Our wealth of knowledge ensures we have the expertise to handle every and any trip that might arise.

Luxury Aircraft has a reach of over 5000 private jets globally. Where ever your travels might take you Luxury will be there.

Safety and Security

Luxury Aircraft is committed to the safety, privacy and security of you and your aircraft. Our company has high standards with internal compliance practices that check the AOC (Aircraft Operating Certificate) and insurance certificates of each airplane.

Your safety is our priority, which is why we set high standards for the aircraft that operate flights inside the Luxury Aircraft network. Since inception Luxury Aircraft, has never had an accident.

Daily Operations

Our charter team has a priority to make your trip priority. You will have a designated representative from start to finish on every trip flown. **You will be able to book catering, ground transportation and hotels at your convenience with your Luxury Aircraft representative.** Your representative will keep you informed regarding any aircraft movements to make your trips successful.

Our flight department is available 24/7 to provide the best customer service. They are available 24/7 to flight follow, contact the FBO and ground handlers to keep up to date operational movements.
